

Custom Home Under Construction by Green Mountain Builders

November 26, 2019

Green Mountain Builders announced today that construction has begun on a new custom home in Naples Park. This magnificent model is a four bedroom, plus study, three bath pool home, offering 2,208 square feet of living space and 2.888 total square feet under roof. A Southwest Florida custom home building and remodeling company, Green Mountain Builders' president, Tony Persichilli has a long and respected history of creating quality in Naples, Bonita Springs, Estero and Ft. Myers for over three decades.

The exciting floor plan delivers a beautiful design that provides abundant natural light, custom elements and upgrades that make this home a superb value. This model is a four bedroom, plus study, three bath pool home, offering 2,208 square feet of living space and 2.888 total square feet under roof. The grand foyer welcomes visitors extending to the spacious great room, kitchen and dining room open concept plan. The foyer is flanked on one side by a private study. The lanai and swimming pool is accessed by a 14' bank of sliding glass pocketing doors.

The bright gourmet kitchen is highlighted by stainless steel appliances, custom white cabinetry and a large center island with casual seating, including a waterfall quartz countertop. The kitchen boasts a French door refrigerator, glass slide in range, stainless vent hood, built in microwave and decorative wainscoting. The kitchen, dining room and expansive great room create the very popular open concept, perfect for family enjoyment, entertaining and keeping watch over the kids.

The elegant master suite includes 8ft. sliding glass doors to the outdoor living area and tray ceiling. An expansive walk-in closet divides the bedroom from the elegant master bath, oversized shower, linen closet and water closet.

The outdoor living area is perfect for family enjoyment, barbecues and entertaining. A custom-designed pool and spa, with brick paver deck, equipped outdoor kitchen, fenced in side and rear yard round out the special features of this home. In addition, the home includes tile roof, impact resistant glass windows and sliding glass doors. The indoor/outdoor lifestyle of Southwest Florida residents can be enjoyed in this exceptional home.

Additional interior features include 11'4" ceilings with tray ceilings in the master and dining room, quartz counters in all bathrooms and a granite top in the laundry room. Plus upgraded trim package, including 8' interior doors, 24" x 24" porcelain tile, designer vinyl plank flooring in all bedrooms and energy saving features are also featured. Other key features include tile roof, brick paver driveway and walkway, an oversized two-car garage, upgraded landscaping package, sod and irrigation.
